Happy New Year from our Families to Yours

As we reflect on the accomplishments of 2023, we celebrate the incredible achievements that have been made possible because of your unwavering support. Every life touched, every smile brought, and every hurdle overcome is a testament to your compassion and commitment. Thank you for helping us welcome families HOME.

Thank you for being the driving force behind our mission, for answering our request for support no matter what was needed, and for making a lasting difference in the lives of those we serve. We are immensely grateful for your support in 2023 and beyond. Together, we have fulfilled our mission of ending homelessness...one family at a time.

With your support, FPTC provided shelter to 27 families and gave 60 children a warm and safe place to call home. We assisted four families with our Fresh Start Pilot Program and used diversion/prevention funds to keep five families in their homes without the need for shelter. We provided community support to over 624 individuals by purchasing birth records, ID's, and by supplying essential items such as gas cards, holiday gifts, coats, and socks to individuals in need. NONE of this is possible without your support. Thank YOU!

We extend our heartfelt gratitude and appreciation to all the remarkable volunteers and generous donors who have made an incredible impact through their unwavering support in 2023. Your dedication, selflessness, and contributions have been instrumental in transforming lives and creating positive change in our community.

As 2023 comes to a close and we welcome the new year, I want to personally thank you for your continued passion and to support the mission that is so near and dear to my heart. Thank you for the opportunity to serve these amazing families and offer hope, help, and support to our communities most vulnerable. I wholeheartedly believe we are on this earth to help our fellow human and I am truly blessed to do just that every day.

Happy New Year and God bless,
